If a course is offered multiple weeks, is it a continued course?

Some courses repeat based on demand; however, they are the same course with the same content.

How will I know if a course is right for my kid?

All our courses are intended to excite your child's interests—with everything from Graphic Novels, NASA Expeditions (Gaining S.T.E.A.M.), to Cooking and Paper Making. All our teachers are passionate about the subject s/he is teaching, and each course will be exciting and new! Courses should be chosen based on the camper's interest.

Some courses do have age recommendations and disclaimers put forth by the teacher. These are all clearly stated in our online course catalog: <http://numien.com/camp-pursuit-course-listings/>. Please review this information in order to make the most appropriate choice for your camper.

What is a blended classroom?

Also called the "One Room Schoolhouse" model, a blended classroom means there are no arbitrary age restrictions placed on classes, just recommendations. We believe children function at individual brain ages. For example, a second grader may have the mathematical skills of a fifth grader. Because courses are selected based on the camper's passions/interests, they will attend with other students, ranging from 1<sup>st</sup>-8<sup>th</sup> grade, that are interested in the same pursuits.

Teachers receive 6-hours of specialized training on how to work with differentiated curriculum inside blended classrooms.

What does my camper need to bring?

Lunch is not provided, so students will need to bring a non-perishable meal with them each day. A notebook and writing utensil is suggested, so students can take note of what they've learned.

How do I register?

You can register online using our click-through guide and pay by credit card; you can also email/mail a paper registration form and pay by either credit card or check (no cash). Both forms are available on our website [www.numien.com](http://www.numien.com)

**Camp Pursuit Cancellation Policy.** The \$50 registration fee is non-refundable. In the event you must cancel your reservation, you will receive a refund as defined herein: Cancellation notice must be submitted via email to NuMindsAdmin@numien.com. Refund will be issued in the same manner payment was made. 100% of tuition paid will be refunded if written notice is received no later than eight weeks prior to session start date. Cancellations received within eight or less weeks of session start date forfeit full tuition. Cancellation requests due to illness or accident prior to the camp session start date require a physician's written verification. Upon receipt of verification, we will issue a full refund. Cancellations due to personal reasons, etc. will not receive a refund. Camp participants who leave during a session will not receive a refund, regardless of circumstances. We reserve the right to cancel a session date if participation numbers are not adequate. You may select an alternative session date, or you may request a full refund of tuition paid. Cancellations of sessions will occur a minimum of four weeks prior to the session.
